It is important for the whole church to be blessed by our children's choir. This means call time for those 3 Sundays will be 8:30 am in order to sound check in both the Sanctuary and Smith worship center. SO the schedule for those mornings will be as follows:

8:30	Sound check in Sanctuary
8:50	Sound check in Smith
9:30	Sing at beginning of contemporary service
9:50	Sing as the offertory for the traditional service
10:30	Snack and water break in room 217
11	Sing at the beginning of the traditional service Kids will be dismissed to their parents as soon they are done singing for 11am.

Attire: Just nice Sunday attire. Something nicer than a t-shirt would be great, and no flip flops (too noisy).
